CAPUCHIN FATHERS  
1032 Virginia Street  
CHARLESTON, W. VA.

June 15, 1933.

County Clerk  
Frederick Co., Va.

Dear Sir:

Repeated attempts to obtain certain information have failed in the past month. I am now appealing to you as a last resort, either to give or direct me to the information I seek.

Please give me the marriage record of Mary Ellen Smith (or Mary Ellen Williams), to John J. Pleasant. The marriage was supposed to have taken place in the Catholic Church at Gore, Va., in 1848. Any other information (or a source of such information) such as: the baptismal record, death and burial record of the above parties would be highly appreciated. Perhaps you may put me in touch with someone who knows something about them. The information is rather urgent and therefore your kind attention will be appreciated very much.
